COACHES/VOLUNTEERS

If you are unable to coach for a particular week, please contact Gardner Ten Pins to inform them of your absence. We want to ensure that our young bowlers and newest bowlers receive coaching each week, so we may have to shift coaches based upon availability and it would help to know in advance of a coaching shortage. **NOTE: All coaches must go through CORI check process through USBC!**

Also, for any parents wanting to become a coach, contact Paul Falk, Brian Manca, Theresa Gautreau or Charlie LeBlanc. Otherwise we ask parents to allow the coaches to do their job and sit back and cheer your child and the other youth bowlers on!

Individual Lessons are available on Saturdays at 8:15AM and 1PM for any youth bowler looking for extra help. Contact Paul Falk or Brian Manca

for availability. This is a great way to improve your current skills or to identify problem areas.
